

The Mission of the IME is to:

- Foreground museum ethics as one of the most pivotal issues to museum professionals in the 21st century
- To create a physical and virtual community of emerging and practicing museum professionals and museum studies faculty who use our resources to make informed decisions about ethical issues
- To promote accountability, transparency, and social responsibility

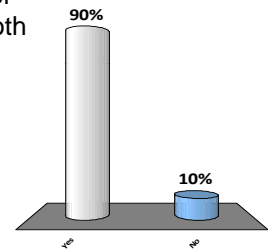

Does museum ethics rely on...

1. ...a fixed set of principles?
2. ...or is it always changing?

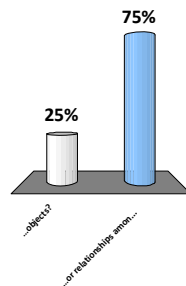

Are worrisome business practices and issues of social understanding both equally valid areas of museum ethics?

1. Yes
2. No

Does museum ethics prioritize...

1. ...objects?
2. ...or relationships among people?

Does being an ethical museum professional mean also being an activist?

1. Yes
2. No
